

This free PDF grammar guide is a must-have for anyone who has a serious interest in Portuguese language. It includes a working vocab list, verb conjugation verbs, and tips on how to get started learning the language. This grammar guide is also useful for students, and will accompany you in class and form part of your course work. Saskia loves to write and enjoys cooking. She has written a number of books and articles on various subjects in English, including: work in the field (JIFF), romance (A Heartful Connection), and the Internet (Creating Content). She has her own publishing company "Tera Publishing" which caters to authors who need editor or formatting assistance, or want to self-publish.
