About This Content

TERRES D'EXPLORATION / UNCHARTED CANADA

Two young adventurers are on a quest to explore Canada's most remote and striking areas. Traveling by air, raft, foot, they aim to better understand Canada's land, people and ecosystems using their unique combination of outdoor skills and scientific knowledge. Each episode focuses on a different topic, from melting glaciers to the fauna of the prairies and even Canada's undiscovered underground cave system. For each episode, a guest, specialized in the topic, will be joining our hosts for their adventures.

TV series of documentaries available starting April 10th on TV5 (Canada) or online.

Now it's time for to step inside the documentary! Follow our adventurers to the original locations brought into VR via high end photogrammetry. Discover several places from each episode of season 2 and explore the beauty of the Canadian wilderness at your own pace. Narration by one of the explores as well as video snippets throughout the experience will give you additional facts complementing what has been shown on TV.

The locations for each episode will be released alongside the TV series:

10th April: The Caves of Vancouver Island

17th April: Grasslands National Park

24th April: Bridge Glacier

Once downloaded, you'll automatically receive updates each week upon release of the new episode!
